

PERSONNELFilling of Vacancies**A. Licensed Personnel**

Applications for licensed positions, including administrative and supervisory positions, will be accepted at any time. Applicants will be considered for all vacancies for which they are qualified and for which they have applied as specific vacancies occur throughout the school year. Applicants may carry their application forward from year to year by written request to the Department of Human Resources. In addition, vacancies in specific skill areas may be advertised at any time if there are insufficient applications on file. Administrative and supervisory vacancies will be posted in each Stafford County school and in the Division's Department of Human Resources.

B. Service Personnel

Applications for service positions will be accepted at any time. Applicants will be considered for all vacancies for which they are qualified and for which they have applied as specific vacancies occur throughout the school year. In addition, notice of service personnel vacancies will be posted on the Department of Human Resources bulletin board for a minimum of 5 days.
